TEXT

Tomás visited the Zoo. This is the article he wrote for the School Paper.

School Paper

The Zoo is an amazing place with lots of different and interesting animals.

Mr Samuels, the zookeeper

My favourite animal at the Zoo is Neckie.

Neckie is a baby giraffe but she is two metres tall. She has got a long neck and legs, a huge tongue, big eyes and a small tail.

She is very pretty and elegant with her brown and yellow patches. She loves eating the leaves of the acacia trees.

Mr. Samuels is the zookeeper. He looks after the giraffe family. He is middle aged and very active. He has got a round face and he is bald. He is a nice person.

I learned a great deal of things about zoo animals today. It was a lovely day. I strongly recommend this trip to all school students.
